***Departure of Director***

On November 6, 2018, James E. Brancheau, notified the board of directors (the “Board”) of Altair Engineering Inc. (the “Company”) that he will resign as a member of the Board, effective December 31, 2018, for personal reasons.

***Appointment of New Director***

Upon the recommendation of the Company’s Nominating and Corporate Governance Committee, on November 6, 2018, the Board appointed Brett Chouinard, age 53, to serve as a director, effective December 31, 2018, to fill the vacant director position that will be created by the resignation of Mr. Brancheau. Mr. Chouinard will hold this position until the 2021 annual meeting of the Company’s stockholders or until his successor is elected and qualified, subject to his earlier resignation or removal. Mr. Chouinard will join the Company’s newly-formed Technology Committee, comprised of Mary Boyce (Chairperson), Jan Kowal and, until December 31, 2018, James Brancheau. The Technology Committee was created to assist the Company with the evaluation, implementation and utilization of technology.

Brett Chouinard has served as the Company’s President since January 1, 2018. He is also the Company’s Chief Operating Officer, a position he has held since January 2010. Prior to his role as the Company’s Chief Operating Officer, Mr. Chouinard served in various roles with Altair since 1994. Prior to joining Altair, Mr. Chouinard worked as an engineer at GE Aircraft, a subsidiary of General Electric, Inc. specializing in aircraft engines. Mr. Chouinard holds a bachelor’s degree in mechanical engineering from Michigan Technological University and a master’s degree in mechanical engineering from the University of Cincinnati.
